Faces are again all covered with smiles since the rain of Monday of .78 inch. While a few frosts and a dry spell had made the crop look patchy, it is all doing fine now.

Victory Bonds are better than cash.

Buy Victory Bonds from Canada and used cars from us and be safe all the way in every way. They are both good investments.

Teddy Davies is all decked out in a new army uniform and with the heavy artillery.

Wm. Penn motor oils and greases are "Still the Best."

Buy Victory Loan 1941 to the limit.

The new Cooney single shot 22 rifle is here, and say it is a beaver and real value as well.

"Corny" Versluys is visiting in the district from camp Borden, a member of the R. C. A. S. F. He is sure looking and feeling fine so he says.

We carry a full line of C. C. M. bicycle parts so don't forget us when your C. C. M. needs parts.

You can buy Victory Loan Bond from \$50.00 up.

Shell Tox, the super "duper" stainless insect spray that will kill all of your household pests.

If you are considering painting, see us for prices, they are real and there is no better quality paint.

There will be a joint special service of all denominations in the Community hall next Sunday at 3 p. m. Rev. Winter being in charge and assisted by Rev. Dawson, when all present will be asked to take the Victory torch oath. You should be there.

Let's all be prepared to buy Victory Bonds, June 2nd.

The chairman of the Victory Loan publicity committee has received a parchment on which is inscribed the following: "To The Right Honorable Winston Churchill, P. C., O. H.—Canada with other nations of the British Commonwealth and with their Allies, will fight on to victory no matter how long and toilsome the road. Given the tools we shall finish the job. Canada's Victory Loan, 1941 is part of the tools. This scroll represents the pledge of our people, signed, sealed and delivered, that we shall fight on to the end, and that end shall be Victory. The scroll provides for the signatures of the mayor and other qualified officials, and when such signatures have been inscribed there-

Victory Loan The Means—Freedom The Objective

What is it worth to you to be a free man or a free woman in a free land?

As free citizens we are facing our greatest crisis. Many of our people are offering their lives in the battle for freedom, and now we are asked to lend our money to back them up.

There is no doubt in our minds about the worthiness of the cause for which we fight. We all know that the men who are in the front line of our battle have to be supported. We must give them tanks, planes, guns, ammunition and all the technical equipment necessary to enable them to stand up against the long prepared armies of the dictators. This takes money which we on the home front must supply. Every Canadian has to face the personal responsibility of subscribing to Canada's Victory Loan.

Canadians can be counted on to put their shoulders to the wheel when they understand the need. It is a need not only to help in the defence of Britain but to stop the aggressors before they reach across the ocean. Make no mistake about it, if the dictators are not stopped, then all that we hold dear in life will go down before them.

The success of this loan is not only to be measured by the amount of money subscribed, but also by the large number of individual investments by people of modest means and modest income. By subscribing in large numbers we demonstrate how solidly Canadians are behind their sons and brothers in this war. The larger the number, the more widely will purchasing power in the form of interest be distributed among everyday people in all provinces. The more widely the Victory Bonds are spread among our people, the more easily we shall meet any problems of the future.

Here in Champion-Carmangay Unit we have been asked to raise \$37,000 as our quota. Dig deep into your savings and buy Victory Bonds. Wear a Victory Loan button to show that you are not just looking at the war but that you are right in the war.

Wake up Canadians

Wake up, Canadians! We are not asked to give,

But LEND our idle dollars, that Democracy may live.

Those dollars that are needed, for our boys, who overseas

Are risking, every day, their lives, that we may live in ease.

Wake up, Canadians! We ALL are in this fight,

To crush the Nazi evil, that would rule the world by might.

The most that we can lend, is but the least that we can do

To show we've all made up our minds to see this struggle through.

Wake up, Canadians! Before it is too late,

Before our skies, now clear and blue, are filled with wings of hate.

Before our cities and our towns are bombed, as they will be

If we don't use our dollars to send help across the sea.

Wake up, Canadians! They've put it up to us,

We've got to help, to stop this thing, and do it without fuss.

We've never heard the crash of bombs, and quiet nights we spend.

If we would save our freedom, let us lend! and lend!! and lend!!!

K. M. L., Pincher Creek, May 1941.

on will be presented to Mr. Churchill along with the Master Scroll.

The Victory Loan committee of Champion-Carmangay is sponsoring a Divine service in the Champion Community hall on Sunday, June 1st, at 3 p. m. The Rev. Canon Winter will deliver the address and the Rev. Peter Dawson will be in charge of

Parkland-Champion Tangle for Cage Honors

The Champion Scotties journeyed to Parkland on Friday to suffer defeat 26-6 to one of the best organized High School Basketball teams in southern Alberta.

The Parkland team opened the scoring on a shot by "Never-Miss" Shirley Miller only a few seconds after the game began. The scoring was continued so far as Parkland was concerned as they outplayed and out-shot the locals until the end of the half. From there on the Scotties became a bit more organized and their defensive play held the ever pressing Parkland team more in check. Pauline Fisher gained four points for her team as she netted two beautiful baskets not far off the centre line. Rose Chaproniere did her bit as she gained two points for her team by netting an equally nice shot.

The Parkland team have lost no games this year and show a class almost beyond conception. They gained their knowledge of the game from Miss H. Hansen, the primary teacher of two years ago. The game was so instilled in them that for the fourth time in succession they have held the Senior Basketball cup of the Wheat Belt Sports Association, which includes Claresholm, Staveland, High River, Parkland and Nanton. This year the Parkland team took the cup by setting Staveland in defeat by a score of 26-4 at Claresholm.

WHITE—BJORNSON

The home of Mrs. I. W. White was the setting for a pretty house wedding on Friday evening, May 23rd, when Irene Adelaide, second daughter of Mr. and Mrs. H. A. Bjornson, of Champion, became the bride of Mr. Virgil Lawrence White, younger son of Mrs. L. W. White and the late Mr. White. The ceremony, performed by the Rev. J. Rex Brown, took place before the fireplace which was banked with lilacs, bleeding heart and ferns.

The bride, given in marriage by her father, was gown in pale blue sheer and carried a colonial bouquet of pink roses and forget-me-nots.

Her only attendant was Mrs. W. M. Whitley as matron-of-honor. The bridegroom was attended by his brother, Mr. Harold White.

After a short trip to the mountains, Mr. and Mrs. White will reside in Calgary.

Out-of-town guests for the wedding included: Mr. and Mrs. H. A. Bjornson and Mr. and Mrs. Jack Hopkins of Champion.

the service. At Carmangay on June 1st Divine service will be held in the Community hall at 7.30 p. m. R. v. Peter Dawson will speak. The Champion Sunday school choir will be in charge of the music at Carmangay under the leadership of Miss Shirley Taylor. The subject for the day—"Religion and Citizenship."

Any person or persons wishing to send books to soldiers or new clothing or new blankets to British sufferers from bombing raids by placing their contributions in the depositories at I. Granlin's Garage and Alva Baker's Oil Station at once will be in time for the next I. O. D. E. shipment on June 5th.

The Barons Women's Institute are sponsoring a drive for a Community hall for that town and district.

Harold Bach is again a patient in Carmangay hospital suffering from lung trouble.

Miss Mary Sisson, of St. Michael's hospital staff, Lethbridge, and Miss Mary Porrit, of Calgary were guests of the former's parents, Mr. and Mrs. Milford Sisson, over the week-end.

Gnr. Teddy Davies, who is with the Heavy Artillery, Calgary, was home over the week-end.

The local branch of the Red Cross are now especially in need of knitters and sewers in connection with their efforts to help air raid victims.

In reporting the death of Robert Ferguson The Chronicle was in error regarding the cause—the deceased died from kidney trouble—not tuberculosis.

Word has been received of the death of Lewis Hurlbut which occurred Wednesday of last week in Nova Scotia. Deceased was at one time a Champion resident.

W. I. Harris has installed 3 new pumps at the B. A. Filling Station and the place is now doing business under the management of E. Eelinger.

CARD OF THANKS

We wish to take this opportunity to thank our many friends of Champion and district for kindness shown, also to say goodbye and good luck.

ABOUT THAT VICTORY LOAN

Don't stick your head in the sand. Get into the thick of the fight. Turn over your dollars to your country in your own selfish interest. Turn them over for the sake of your family, your friends, or the protection of every thing that has contributed to your present freedom. Make your subscription to the War Loan so big that the signing of your cheque

constitutes a hardship. Canada was built on hardships and it cannot be kept away from the ravaging hands of dictators by her present protectors without hardship.

Make sure that you are doing everything you can to build and maintain the indomitable fighting machine which democracy must have to survive. The challenge to Canadians today is emphatic. Each member of the community must be prepared to lend all he can, lest the pack gets through and shall leave him with nothing.

"NEVER MIND THE BLASTED WINDOWS"

In spite of bombs and the blackout, shop-window display

in Britain has not only continued but actually increased in ingenuity and service. One of the country's leading electrical firms promptly discovered a substitute for plywood—the peace-time foundation of window display—in linen stretched taut on wooden frames, a correspondent reports.

Display settings in linen, it was found, could be folded into small compass. Where, in former days, a van could carry only three or four sets, now it can transport ten times as many.

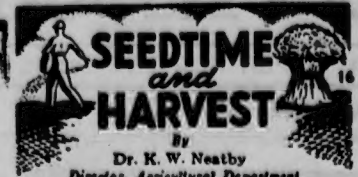

Instead of leaving wartime window display to the individual dealers, the firm decided to send around experts to do the job. No fewer than 54,000

personal visits have been made to all parts of the country and 85,000 separate pieces of display material have been placed in position.

Bomber shops with their slogans: "More Open Than Ever" or "Never Mind the Blasted Windows—Come In," carry impressive displays showing that the British radio and electrical industry, in spite of all threats, is very much alive and kicking.

SEEDTIME and HARVEST
By Dr. K. W. Neathy
Director, Agricultural Department
North-West Line Elevators Association

An Invitation.

During the past winter 4,870 different samples of farmers' seed have been sent in to The North-West Line Elevators Association for germination tests. As a result of the prevalence of frost damage in northern areas, particularly to oats and barley, the results of the tests have been of great importance to farmers availing themselves of the service.

About 2,500 farmers have asked us to make growing tests in the field in order to determine the varietal purity of their stocks. We have undertaken to do this for wheat varieties only. In oats, varietal purity is hard to establish and, since it is largely a matter of feed, purity is of small concern except to seed growers. Barley is more difficult than wheat, and we hesitate to burden university or government cerealists unduly.

We shall, therefore, have about 2,000 samples of wheat seed planted for purity tests. In nearly all cases, the plots will be identical with the crops the individual farmers concerned are growing, since they voluntarily sent their own seed in to us. The plots will be located at the University of Manitoba.

I take this opportunity of inviting farmers and others who may be in Winnipeg this summer to visit our office, laboratory and plots. Our address is 763 Grain Exchange Building. At the same time you can visit the Dominion Grain Inspection Office and the Grain Research Laboratory of the Board of Grain Commissioners.

Hon. P. Dawson Possessor of Fine Cane

Hon. Peter Dawson, speaker of the legislature, is the possessor of an unusual cane, which, in days to come, probably will be one of the most treasured heirlooms of the Dawson dynasty. He is jealous of all the dignity and tradition associated with the legislature and the office he holds.

This particular cane will serve to remind him throughout his days, of

the times when he was called upon to make momentous decisions in the conduct of this province's affairs. Glancing over it will recall in surging panorama, many of the outstanding happenings that featured his tenure of the throne, in the centre of the dias at the south end of the legislative chamber.

The cane itself is of hickory, brought from the British West Indies. It is one of those large stock men's implements, which, I am informed, are frequently used to wallop insurgent animals on the forehead.

Mr. Speaker has had 95 names in-

scribed on the cane, which has been varnished and which preserves them as clearly as though they had just been written. One can see the signatures of His Honor Lt. Gov. J. C. Bowen, members of the legislature from 1935-1940 and new members who entered after the latter year.

In addition, there are signatures of legislative officials such as R. A. Andison, clerk of the house; members of the press gallery, page boys and others. Dates of all sessions since 1938 are inscribed as well as the dates of the 1935 and 1940 elections, with

the standing of the parties. The whole presents a handsome appearance and Mr. Speaker may well feel proud of it.—Edmonton Bulletin.

A Thought For Today For People At War

"These are sombre days for us all. The freedom which is our heritage is in mortal danger. The angry flood of war is spreading relentlessly in a thousand torrents to tens of thousands of homes. But we shall surely stem

the tide." Earl of Athlone, Governor-General of Canada.

CHURCH SERVICES

Why CANADA MUST BORROW \$600,000,000

A Statement by the Minister of Finance

In money alone, this war is costing Canada in round figures, \$4,000,000 a day. That is three and one-quarter times the daily cost of the last year of the last war. This conflict costs so much more because it is a battle of giant, swift machines . . . as well as of men. And to build other than the very best machines would be futile. They must be worthy of our men.

Canada dare not . . . and will not . . . sacrifice men for lack in quality or quantity of fighting machines. Hence we must produce them on a scale hitherto undreamed of.

To do this, Canada needs now to borrow from her citizens at least \$600,000,000 in addition to the revenue raised by taxes. To obtain this money Canada will on June 2nd offer Victory Bonds.

Fortunately, Canadians have the money to buy these Victory Bonds. This is shown by a greatly expanded

national income and by record savings deposits.

If every person who has savings or who can make payments out of wages or income will invest in Victory Bonds, the Loan will be quickly subscribed. But the wholehearted support of every citizen is necessary.

What Canadians have done before, Canadians can and will do again. Our population was less than nine millions in 1918 and 1919. Yet in November, 1918, our people invested \$616,000,000 in Victory Bonds. Eleven months later, in October, 1919, they invested \$572,000,000. The total subscribed for Victory Bonds in those two loans was \$1,188,000,000. This year, with our population increased to more than twelve millions, the nation that did it before can do it again—and in greater measure.

The terms of the Loan will be announced May 31st. Get ready to buy every Bond that you can.
